Dm C G C
The firey darts of fear and doubt as-sail at every hand.

F C
We're reaching out to You, our Lord,

F C
For help, hope, and Grace.

F G7 C
But most of all we're longing for the appearance of Your face.

Dm Am E Am
We're holding on to truth and right, with faith and hope be-
cause,

Dm C G C
The greatest gift, Your love within, gives power to our cause,

F C
We're reaching out to You, our Lord,

F C
For help, hope, and Grace.

F G7 C
But most of all we're longing for the appearance of Your face.

Come Live In My Life

C F C Dm C G
Jesus, be born in my heart; Come as a babe to my stable

 C F C
Lie in the straw of the manger within

G C Dm Am
Share in the pain of my darkness and sin

 Dm C Dm C G C
And shine with your star light of heaven

C F C Dm C G
Jesus, come grow in my life; Come as a child full of wonder

 C F C
Play in my yard with the inner most me

G C Dm Am
Come be my friend; help me be free

 Dm C Dm C G C
And shine with the sun light of heaven

C F C Dm C G
Jesus, come live in my soul; come as a savior to heal me

 C F C
Look for the lost in the places I hide

G C Dm Am
Hang on the crosses that break me inside

 Dm C Dm C G C
And shine with your own light from heaven.

Jesus, be King of my life; come as the Lord - I will follow
Lead on the way of the journey I make
Guide and direct every step that I take
And Shine with the light of Your glory.

Come Look Into My Eyes

C F C
Come look into my eyes.

F C
Come see this wounded soul.

F Am C
Come shine your love upon each part

Dm G7 C
Until I am made whole.

Come break the chains that bind.
Come breach the walls within.
Come sit with me in darkest night
Until the light begins.

Come walk with me apart.
Come take the path begun.
Come live inside my bleeding heart
Until we beat as one.

Come on Preacher won't you hammer with me

Come on Choir sing a song to set me free

Oh you people in the pew, you could say a prayer or two

Hammer on the gates of heaven for me.

Come on Neighbor take a hammer with me

Come on Friend and say a prayer to set me free

Hey you workmen on the road, won't you rest that heavy load

come hammer on the gates of heaven for me

Come on rocks and fall like hammers for me

Come on clouds, roll your thunder bolts for me

Ocean waves crash on the sand and those gates will never stand

Come take a hammer on the gates of heaven for me.

Harvest Home

For the son in the sky; for the moon in the night;

You fill our eyes with wonders of beauty;

For all that we see we give thanks unto thee.

For the fish in the sea and the birds in the sky;

For the flow'rs of the field; for the wheat and the rye.

You fill our glass with the fruit of the vinyard;

For all we partake we give thanks unto thee.

For our friends, for our foes, for our family;

In our joys and our woes, in what e're may be.

We give you praise in all that life brings us

Hoping and trusting that Your will be done.
